Dear Sir / Madam,

Ref: Mr. Paul Plumridge, Lead Auditor and Quality Consultant for QuServe.

Paul has been working and consulting for Kdss and [atsite.co.uk](http://atsite.co.uk) now on a number of occasions, Paul has helped to implement our ISO 9001 standards with professionalism, helpfulness and with an experienced hand that is most welcome in our specific areas of work.

Paul, is currently assisting me in inserting the new ISO 9001:2008 standard into [atsite.co.uk](http://atsite.co.uk), his experience, knowledge and passion for Quality Systems is second to none and the professionalism that he displays is an outright credit to himself and his company.

As long as I am the Quality Manager and Quality Representative for Kdss Limited and [atsite.co.uk](http://atsite.co.uk) respectively, I shall always use Mr. Plumridge for our external consulting as the results speak for themselves.

Should any other Quality System be implemented into the two companies that I work for, i.e. ISO 14001:2004, I will use Mr. Plumridge without hesitation. He is well liked on a personal and professional level by both myself and the Company Directors alike.
